Mark your calendar for this special year end trip!

Next week, a letter will be coming home with more information and also an "Intent Form" that you will need to complete and return to school. resolution on an operational referendum for the April 3, 2018 spring election ballot. This referendum differs from the April, 2017 referendum, in large part, because of the duration. The Board listened to the community through surveys and the Community Task Force Committee. The feedback was clear that the recurring nature of the April, 2017 referendum was not acceptable. The 5 year duration on the current referendum allows the district to address the immediate needs of class size, compensation, and facilities maintenance. As the Board works to address its financial challenges, we are committed to providing as much information as possible. For more information about the referendum, please visit www.hssd.k12.wi.us/referendum. If you have any questions for the Board of Education, please reach out to your board member listed in this article.

Speak Up Research Project Survey

The Speak Up Research Project polls K-12 students, parents and educators about the role of technology for learning in and out of school and represents the largest collection of authentic, unfiltered stakeholder voice on digital learning. It is important that the Howard - Suamico School District students, parents, staff and community participate to assist our district in acquiring information for future planning needs. The Speak Up 2017 online surveys open October 16, 2017 through January 19, 2018. Please read more at **Speak Up 2017 Flyer**.
