A Message from the Principal,

Good Afternoon,

It's the halfway mark of the school year....already! This is a busy time of year for grades, reporting, and best of all for **REFLECTING**. The way we learn is by doing and reflecting on what has been done. Students will be undergoing all sorts of reflection activities in the upcoming weeks to help them continue to better understand themselves as learners and to set specific goals for the next part of the year.

Report Cards

On Friday at 6:00 you will receive a message that you can access report cards in PowerSchool. Teachers have been putting in a lot of time entering information into this reporting system so that you have another opportunity to better understand where your child is at in a specific standard area. As a reminder, each standard is written with the goal that the child attains it by the end of the year. Our 4, 3, 2, 1 grading system is written for a progression and applicable purpose. A "1" simply means that the student needs a lot of help to do the work expected and is not able to do it on their own and/or may still not show an understanding. A "2" means a student is growing in knowledge and independence, but still needs help at times or misses the complete understanding. A "3" shows that a student has a solid understanding of the standard as stated and is able to prove it. A "4" means that the student knows the standard so well, that they are able to apply this understanding in multiple settings that they have created and are able to prove it in unique ways.

Parent-Teacher Conferences

Conferences are February 16th and 21st from 4-7:30. We will again use TEESO to schedule your conferences. More information about that will come out soon. Conferences is yet another opportunity to meet with the

teacher and learn more about your student. Additionally, as part of our work to "Lead your learning", we have begun to include students more in leading part of this process.

Creation Day- No School for students- Friday, February 3rd

As noted in prior communications, by adding 5 minutes to each school day, we were able to provide teachers with three full days of professional development during the school year. The goal of the "Creation Day" is that our staff has the opportunity to design their own learning paths that meet their unique learning needs. During this day, teachers, administrators and other staff from all of over the district, have opportunities to not only learn but also to present on things they are passionate about. This day is focused on transforming teaching practices and that is exactly what it is doing. We have teachers also taking classes during nights, weekends and in the summer. We believe that by modeling the way with our learning, students see that learning never stops and that it is meant to make us better.

Enjoy the sun and the snow and all other things that come with this time of year! As always, we truly appreciate your trust and partnership!

Together,

Tony Ebeling, Principal

The 2017 Interest Fair is Coming - Tuesday, March 7th!

All Students in kindergarten through 4th Grade are encouraged to choose an area of interest or hobby that they want to learn more about and begin their Interest Fair Project. You child(ren) should have brought home an Entry Form/information on Tuesday. If interested, please complete the form and return to school by Friday, January 27th. If you

have any questions, please contact Nicole Smith at nicosmit@hssd.k12.wi.us.

Click here for a link to the Entry Form. **Click here** for more Information.

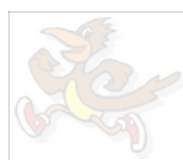

Winter Box Tops Contest!

Look for the Winter Box Tops Contest sheet that will be sent home with students today! The classroom that collects the most Box Tops will win a movie and popcorn party. It's easy to do; just clip Box Tops from participating products and then glue or tape 10 unexpired Box Tops onto the flyer to participate in the contest. **Contest deadline is February 15, 2017.** Please make sure all flyers have the teacher's name and grade level filled out so the correct classroom gets credit. Note: Box Tops that are expired or missing the product code will not count. Bonus Box Tops should be sent in separately and not attached to the collection sheets. Have more than 10 Box Tops? Print off this sheet - **click here**. Box Tops can also be placed in a baggie/envelope labeled with child's teacher and grade level. For a link to participating products **click here**. Thank You!

Student Directory - Available to purchase!

The Bay Harbor Student Directory is published and is available for you to purchase at a cost of \$2.00 each. If you would like to purchase a directory, please [click here](#) for the order form. Please complete the order form and send it to the office with your payment of \$2.00. All proceeds go to our Student Council. The directories will be sent home with your child. *Note: About 65% of students are listed in the directory this year.*

Label your Child's Outerwear!

With Winter here, please remember to put your child's name on all of their outerwear - snowpants, boots, gloves, hats, etc. Do you know how many pairs

of black snowpants are found? If they have a name in them, we can make sure they get to their rightful owner.

Note about mittens: Please have your child wear waterproof gloves or mittens. The knitted kind get wet when the kids play in the snow and their hands can get very cold!
