### A Message from Mr. Ebeling,

Hello Sailors,

I continue to hear from people that "nobody reads the newsletter and nobody checks the report cards". I can't believe that for one minute because we as parents are modeling the way for our kids, and working to stay connected with our school. Below you will find two KEY WAYS coming up to STAY CONNECTED: Report Cards and Conferences.

#### Report Cards

On Friday at 6:00 pm you will receive a message that you can access report cards in PowerSchool. Teachers have been putting in a lot of time recording information so that you can understand where your child is at in a specific standard area. There will also be comments to help you understand your child as a learner.

**Conferences** are February 11th and 16th from 4:00-7:30. If you had signed up and your time still works...GREAT! If you are thinking you didn't sign up or you are interested in changing times, you will be able to do that digitally using **TEESO**, an on-line scheduler. It is fantastic, user friendly and connects all of your students in one area for scheduling purposes. On Monday, February 1st you will be able to sign up or change a conference time.

Give it a try now to login and see how it works for you. More specific directions will be mailed out soon, but you will find it is pretty self explanatory. You will see that you have the ability to schedule your kids as well as see open times (remember, we manually scheduled everyone who had already signed up for a time) but you will not be able to schedule until Monday.

To Log In: <http://www.teeso.com/hssd/>

Username: Whatever email you use for powerschool / that you gave us as your main email

Password: hssd \*you will be prompted right away to change it for safety purposes

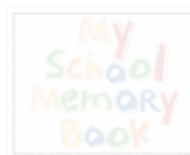

Enjoy the sun and the snow!

**The form needs to be returned to school by February 5th.** Also, make sure that you have an approved background check on file with the district if you plan to go on this field trip with your 4th grader. **EMERGENCY CLOSINGS AND DELAYS**

*Inclement weather may necessitate the closing or delay of schools. If schools are closed this will also include the cancellation of extracurricular activities and the events in the community pool unless otherwise announced. Please listen to local radio or television stations for school closings or delays. Such weather may also deter students from going outside during the school day. Please be sure that students are dressed appropriately for the weather. In addition to local radio and television, weather conditions can be checked on-line at [www.hssd.k12.wi.us](http://www.hssd.k12.wi.us). Click on the Wunderground link for local weather conditions and forecasts.*

**Recess during the Winter Months - Students Need to dress for the Cold Weather and Snow!**

All students go outside for recess when the air temperature, factoring in the wind chill, **is at or above zero degrees.** Students must wear a winter coat, hat, boots and mittens to play outside on the playground in the winter, and also snow pants to play in the snow. Please make sure that your child has the appropriate outerwear to be able to play and stay warm at recess. Also, please make sure that all clothing items are labeled. Thank you!
