Insights into Innovation

Help Kids Balance Their Media Lives

From phones to tablets to streaming videos and games, technology and media play a part in our daily lives. In Innovation, we have discussed with all students the importance of developing a healthy media balance in their lives. Here are 5 steps to help families develop a media and tech balance.

1. Create screen-free times and zones.
2. Establish family rules regarding technology use.
3. Watch and play together
4. **Help kids identify healthy behaviors**

To learn more about developing a healthy media and tech balance, visit the parent resources found on the [Common Sense Media website](#).

Please feel free to reach out to Kara Bunkelman (karabunk@hssdschools.org) or Kim DeTennis (kimdete@hssdschools.org) with any questions regarding Innovation.

Golden Apple Awards Nominations

The Golden Apple Awards are meant to improve community awareness around the awesome things happening in education around the greater Green Bay area. 2019-2020 Howard-Suamico School District Budget

During our annual meeting last month, community members received a detailed review of the school district's 2019-2020 budget and voted to adopt it as presented. During the meeting on October 21, the Board of Education approved a total tax levy of **\$28,248,522**, which supports a district budget of **\$87,410,185** – a **decrease of 2.17%** as compared to the previous year.

This levy will result in the school's portion of our property taxes remaining stable at **\$9.19**; significantly below the state's average levy. This budget, just as in year's past, establishes that we continue to value innovation, investing in our staff, driving academic performance for every student.

Board members have engaged in continuous legislative advocacy efforts, specifically pertaining to the State's biennium budget, which positively impacted the students of the Howard-Suamico School District.

The low revenue ceiling increase - a main focus of the Board's advocacy efforts - especially for a low-spending district like ours, made a tangible impact. For the first time in over a decade, our District will see a net increase in our overall revenue limit. Our overall revenue limit has increased by just over **\$2,000,000**. This is due to an adjustment to \$9,700 per pupil for the lowest spending districts across the State coupled with our District's first increase in resident students in over 5 years.

For more information about the Howard-Suamico School District budget please visit our website at www.hssdschools.org, or for additional information regarding this article, contact school board member Vanessa Moran at (920) 246-3999 or vanemora@hssdschools.org

If you have any questions for the Board of Education, please reach out to your Board member located in this article.
