3rd Annual Holiday Shoppe!

Our 3rd Annual Family Fun Event, the Holiday Shoppe, is just around the corner! Mark your calendars for this fun event for you and your children.

Our PTO would like to invite all Bay Harbor students and siblings to come holiday shopping at our 3rd Annual Holiday Shoppe right in our very own school gymnasium! The Holiday Shoppe will be open 2 DAYS for your convenience this year. **Friday, November 14 from 6-8pm AND Saturday, November 15 from 9am-noon.** Closer to the date, money envelopes will be sent home in the Wednesday Take Home Envelopes that will allow the parents to list all the people you want your children to shop for and set a "budget" of what they can spend per person. They can even shop for YOUR presents with our very own "personal shoppers" that will take them through the Holiday Shoppe while you sit and enjoy a cup of coffee and a baked good in our very own Bake Shop! The cost of the gifts will range from \$.25 to \$10.00 and there are gifts for all family members, even your pets! We really hope you can join us for holiday shopping either that Friday or Saturday. PTO Donation Drive- Your participation is key.....to our school being fundraising free!!!

Please help us reach our financial goal of raising \$4,000, and our family participation goal of 50%. You can complete the little pink PTO donation slip that was attached to a white envelope in your open house packet of

information and return it with your donation. While we recommend \$40/family, we realize that might not be possible for everyone. Please give what you are comfortable with, as every dollar counts and every donation matters. By donating, you are ensuring the success of this years PTO, as well as ensuring our school remains fundraising free....and that means we won't be asking you to sell wrapping paper or pizzas,etc. [Click here](#) if you misplaced the donation form. Thank you for supporting our school!

Junior Achievement Volunteers needed for Bay Harbor!

Want to have an impact on the children at Bay Harbor? Bay Harbor's Junior Achievement program is scheduled to start mid-October to early November, but only if volunteers can be found for the classroom programs. Volunteers are still needed in 1st, 2nd, and 3rd grade.

The time commitment is short but impactful! Volunteers visit a classroom and do an activity with the students once a week, for 5 weeks. The volunteer and the teacher determine the class visit time/dates. Each activity is 40 minutes and all materials are prepared for you.

Junior Achievement (JA) is a partnership between the business community, educators and volunteers — all working together to inspire young people to dream big and reach their potential. JA is

Katy McKy, children's author, was at Bay Harbor on Monday for assemblies and writing workshops.

Grade Level 4 -

TEST NAME: WKCE (Wisconsin Knowledge and Concepts Examination), CONTENT OF TEST: Science and Social Studies DATES FOR TEST: October 28th and 29th

We appreciate and rely on your help for our success. It is very important for your child to be in school on these days. Please arrange appointments for your child around these dates. Good sleep and proper nutrition are proven to maximize student performance on such tests. Please encourage your child to do his/her best work. WKCE practice test items can be viewed online at [Click here](#)

Saving Box Tops and Campbell Soup Labels for recess equipment

Each year the PTO collects thousands of Box Tops and Campbell's Soup Labels to purchase kick balls, jump ropes, sidewalk chalk and more for the playground to be used by students during recess times. Without these labels, the amount of equipment available to use during recess would be very limited. By saving your Box Tops and Campbell Soup Labels you enable the PTO to replenish these supplies during the year. Please keep clipping the Box Tops and Campbell's Soup Labels and then send them to school. Thank you for your support!

Our Caps, Your Cause -- Prairie Farms

We are now participating in Prairie Farms Our Caps Your Cause! It is a simple and easy way for us to raise money to continue our mission. On Prairie Farms white or flavored milk in gallon or half gallon sizes, there are stickers located on the caps. Reveal a unique, redeemable code by peeling of the Prairie Farms sticker and enter it at <http://www.prairiefarms.com/our-caps-your-cause.aspx>. When prompted with the choice of which organization to give to, please choose Bay Harbor Elementary School PTO. For every cap entered, Prairie Farms donates 5 cents to our program. After 1,000 caps are entered, Prairie Farms Dairy will send a check to our school. Over 700 farms strong, Prairie Farms has

empowering students to own their economic success.

If you are interested in learning more about Junior Achievement or volunteering for a class at Bay Harbor, please contact Jennifer Maier, Brown County Sr Program Manager, 920-336-1444 jmaier@javis.org.

Interesting in Volunteering or chaperoning on a Field Trip?

Parents/guardians interested in volunteering for school events or on

field trips are required to have an approved background check on file and be registered in the districts on line volunteer system. Since Background checks can take up to 4 weeks to process, it is important to get this done early. *Special note to parents/guardians of 4th Graders – if you plan on going on the 4th grade class field trip to Madison on June 8th, please get your background check done now so you are all set to go.*

To complete the on line volunteer profile and background check forms, [click here](#) to get to the link. Click on the "sign up" button to get started.

If you need assistance, please call the school office.

Hearing Screening at Bay Harbor

The Brown County Health Department staff will be coming to Bay Harbor Elementary to provide Hearing and Vision Screenings for the designated grades and other requested students. The Hearing Screening will occur on **Monday, October 13, 2014**. All 5K and 1st graders, any new students to the district, and any students requested by teachers or parents/guardians will be tested. If your child does not pass the initial hearing screening, a rescreen will be performed in four to six weeks to determine if there is a persistent hearing problem. If they still do not pass, a letter will be sent home indicating the importance of following up with a physician and/or audiologist. The screening is not a substitute for a regular examination by your physician but is meant to identify persistent hearing loss in children and bring it to the attention of parents/guardians and teachers.

IMPORTANT NOTE: If you DO NOT want your child screened for hearing and/or vision YOU MUST contact your child's school at least one week prior to the screening date to have your child removed from the screening list.

One more volunteer is needed for our upcoming Vision Screening on Thursday, November 13th from approximately 8:30 until 10:30.

If you would be able to volunteer your time in the morning please call Sally in the Bay Harbor Office at 662-8802. Thank you.

Lost and Found items are growing!

There are lots of "found" jackets hanging on hooks across from our playground doors. They were

been providing the freshest, highest quality dairy products for 75 years. Prairie Farms network of local manufacturing plants and branch offices enables highly efficient, dairy fresh distribution throughout the Midwest and the South. Currently, Prairie Farms milk is available at Woodman's.
