### **Family Game Night with Gnome Games was a great success last Friday night!**

Thank you to everyone who volunteered by setting up, working concessions and/or bake sale and with clean up. It was such a great night of fun for our community, and great to see the generosity of our Bay Harbor Community come through to help those people affected by Hurricane/Superstorm Sandy. We had so many donated baked items, that the items we were unable to sell, we were able to donate to the Freedom House in Green Bay and provide dessert for a meal. We hope to have a donation total in next weeks newsletter. Great Job Bay Harbor Families! Also,

**In the Take Home Envelopes today** will be an order form for Games you can purchase from "Gnome Games". "Gnome Games" supplied games for our Family Game Night which gave families the opportunity to try out new games. They will donate 20% of all purchases back to our school - think Holiday Shopping!

### News You Can Use

#### Head Lice

As the weather is getting cooler and we are spending more time indoors, it increases the chances of head lice being brought into your home and into school. Head lice are spread by direct head to head contact. If you suspect head lice, please check your child's hair closely. The following video may be helpful to identify head lice.

<http://parapro.msdienthst.com/resources/how-to/video-instructionals/how-do-i-identify-head-lice/>

Our district does have a policy regarding head lice (8451) found on the district website under Parent-Student/Administrative Policies

<http://www.neola.com/howard-wi/>. We also have a link to lice information on the district webpage under District/Pupil Services/Nursing <http://hssd-wi.schoolloop.com/file/1257796247167/7504434641591574726.pdf>

Additional resources include <http://identify.us.com> or the CDC site @ <http://www.cdc.gov/lice/head/factsheet.html>

**Attendance Tips** Children can become unsettled if they have to go into school late and without their friends. Arriving late is also disruptive to the classroom routine. Monitor your child's tardies and absences through the district website: <http://powerschool.hssd.k12.wi.us/public/>

### Hayden Stoychoff, 1st Grader, Principal for the Day...

My name is Hayden Stoychoff and I got to be principal for the day. Mr. Siech came and got me in the morning and we got to have breakfast in the teacher's lounge. We got to meet with Mr. Roy and Mrs. Joynt. We had to approve some work orders to make sure there was no broken items in the school. We got to see

how several teachers are working. We got to write down a to do list. I even gave out Golden Tickets to students who were following the Bay Harbor expectations. This is the best day ever. I even got to see secret parts of the building that only Mr. Roy and Mr. Siech know about. We also got to go on a building inspection and run a fire drill. I thought today was awesome!
