Veterans Day Project

In celebration of Veteran's Day, the first graders are putting together their annual American Flag near the front office. This year, they decided to switch it up a little bit in honor of our Bay Harbor friends and families. **Please be on the look out on Thursday or Friday for a small heart with a note attached.** Your job is to write the name of a friend or family member (or members) that have served or are serving our country. Return this heart, cut

out, to your child's teacher so that the first graders can create this unique American Flag. When you visit, be sure to check out the flag once it is displayed near the main entrance of our school.

Thank you!
