News to Use...

Students should dress for the Cold Weather!

In order to prevent students from having wet shoes and cold feet, students are required to wear boots during recesses beginning with the first snowfall of the year. Students not wearing boots will have to stand on the blacktop near the building during recess time. All students go outside daily unless the temperature with the wind chill is lower than zero degrees.

Snow pants are also very important in cold and snowy weather. Students must wear snow pants in order to play in the snow on the playground.

Label clothing with your child's name!

Do you know how many pair of black snow pants and boots there are? LOTS! So, to help find the rightful owners of these items in case they would be lost, please identify your child's snow pants, jacket, boots and mittens with their name on the inside of these items.

A Message from the Principal

Dear Families and Friends of Bay Harbor,

We have many reasons to be thankful including our health, friends, family and children. As we prepare for a day of feasting and football be sure to take some time to reflect on one of our greatest and most important blessings...our children. As I personally reflect on Thanksgiving, I am thankful for of all the dedicated adults working in the best interest of children and learning. I want to extend my appreciation and thanks to all of our parents for their continued support. The continual investment in children helps to build a future filled with hope, love and learning. Thanks for all you do. Have a wonderful Thanksgiving.
