**School Store will be coming soon! Volunteers needed!**

Dear Parents and Guardians,

One of the Student Council's responsibilities is to have a **school store**. Students will have the opportunity to shop at the school store during their recess/lunch times. There are many items available to purchase from pencils, erasers, stylus pens, note books, folders and other items. The price range is approximately from .25 cents to \$3.00. On the dates of the school store, students can bring in a small amount of money to spend.

We use the money raised from school store to do things such as send students to SAGA gymnastics, have whole school assemblies with guest speakers, purchase hands on learning equipment such as Spheros and Dash and Dot, and much more. We use the money in ways that benefit all students at Bay Harbor.

Our school store will be open once a month primarily on the first Friday, with the exception of February. We would like to enlist 4-5 parent volunteers to help out during the lunch and recess times from roughly 10:45-12:30 (these hours might change a little when we determine the exact times that students will be shopping). Responsibilities included in helping out are: set-up, selling, making change and closing-up.

Please consider supporting the Student Council by volunteering to help with the school store. **If you are interested, please [click here](#) to complete the form and return it to school by Wednesday, November 16th.** We are also looking for one lead parent that will be able to attend all 6 dates and help with organizing school store items before the school store opens.

These are the dates of the school store this year:

**Friday, December 2nd, Friday, January 6th, Thursday, February 2nd, Friday, March 3rd, Friday, April 7th, and Friday, May 5th.**

If you have any questions please contact Mrs. Van Enkevort or Mrs. Rosenthal, the Student Council Advisors.

Thank you!

## Save the Date! Holiday Concert Tuesday, December 6th - 9:30 & 1:30 times

**9:30 time - Families with last names M-Z**

**1:30 time - Families with last names A - L**

*(Note: These are suggested attendance times to help us accommodate as many families as possible. That being said, please feel free to attend whichever concert time works for you best. The performance is the same at each concert time).*

### **Volunteers are needed to help at each of these concert times!**

Please consider helping at the concert time that you will **not** be attending. Thank you!

### American Education Week—November 14-18, 2016.

This week presents all Americans with a wonderful opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education.

As we celebrate education in Howard-Suamico, your actions and attitudes are proof positive that education is a powerful force. A student's world is changed through learning. It is not limited, however, to a few subjects or simply "knowing" material. It transcends a grade on a paper, an answer on a quiz or a letter on a report card. When knowledge influences a student to think deeply about whom they are - and their personal responsibility as part of a larger community - we all benefit. When education does this, it becomes a catalyst for positive transformation.

The world is changed through people who understand life and contribute their knowledge to making it a better place. On behalf of the 6,100 students, and their families, the Howard-Suamico School District thanks you. Join us in celebrating the people who are committed to providing a great educational experience for every child!
