Meet our new School Counselor, Becky Wright-

Greetings Bay Harbor Families!

I am very excited to begin a new adventure working at Bay Harbor as the new School Counselor. I have been a counselor for 9 years and feel very blessed that my work has brought me back "home". My husband and I are graduates of the Howard-Suamico School District and are thrilled to move back here with our 2 children. I look forward to getting to know your child through life skills class, small groups, and individual counseling as needed. Please contact me any time regarding any concerns you have

about your child, I love to collaborate and will be happy to help. You can find me at Bay Harbor on Tuesdays, Wednesdays, and Fridays. The staff and students have already done an awesome job welcoming me as a Sailor.

Becky Wright

Bay Harbor Elementary School Counselor

please call the office at 662-8800. You would need to start popping right after school starts that morning. It will probably take a few hours. Thank you!

Collecting At Bay Harbor - Thank you!

Thank You so much to all the families that are able to help our school by sending in milk caps, Box Tops, Labels for Education, Tyson labels, and bread labels.

Over winter break, be sure to let grandparents, aunts, uncles, and friends know you are collecting these for Bay Harbor. They all add up to help our school raise money for our school. ([Click here](#)) for a sheet summarizing what we collect.

Milk Moola update

Great News! The Milk Moola milk cap program sponsored by Kwik Trip has been **extended until 2016!** We are able to continue collecting these milk caps / bag tops for our school. Each cap is worth 5 cents. So far this school year we've collected over 1300 caps.

Box Tops

From the beginning of the school year thru November 1st, we have collected 7,315 box tops. That's worth \$731.50 for our school!

Label for Education

From the beginning of the school year thru mid November, we have accumulated over 4500 points thru the labels and bonus points.

Other

Prairie Farms milk caps, Tyson labels, and Village Hearth/Country Hearth breads are still very new to our school collection. Don't forget about sending those in.

Again, Thank You to everyone who has been sending these in. They all add up to help our school!

Dawn Brandt

Digi Know...

Digital Citizenship (The Appropriate Use of Technology)

Online Safety is the focus of this first entry in the "Digi Know" series. Look for articles related to other digital citizenship topics in future newsletters. This information is being provided to you by the district's elementary and intermediate

library media/technology integration specialists.

Online Safety

So much of what we do today involves the use of technology. Our children have never known a world without it. Just like we find ways to protect our kids at home, at school, and in our communities, we can take steps to keep our kids safe while they are online.

The [National Center for Exploited Children](#) suggests the following as things we can do to promote online safety.

- Place the computer and digital devices with Internet access in a family room or other high-traffic area of your home.
- Keep the lines of communication open with your children. Include online safety in your discussions.
- Set limits on the sites your kids can visit and on the time they spend online.

Speak Up 2014. We Need You!

Surveys are open for input October 6 – December 19, 2014 at:

www.speakup4schools.org/speakup2014.

Community Events Calendar

Visit the Howard - Suamico School District Website for school events i.e. Holiday Concerts, Plays, Musicals, Athletic and Art events using our FREE Mobile App that is available for the iPhone, iPad, and Android devices in both the iTunes App Store and also on Google Play. The app can also be downloaded from our website at: www.hssd.k12.wi.us. The HSSD Community Page <http://www.hssd.k12.wi.us/CommunityInformation> Google

- Invite your kids to show you what they like to do online.
- Learn who your kids are connecting with via e-mail, instant messaging, webcams, social networking, and online gaming.
- Set rules for these activities and monitor all technology with Internet access including cell phones, laptops, and gaming devices.

For more information about online safety, your child's library media/technology integration specialist recommends the following resources:
