The Cold Weather has arrived....Students should dress for the weather!

Please make sure that your child is dressed appropriately for the cold weather. Students will go outside for recess unless the windchill factor is below zero! When it is cold outside students should wear snow boots, snow pants, hats, and warm mittens (even if we do not have any snow on the ground yet). Once the snow is here, please make sure that the mittens/gloves are waterproof so that their hands won't freeze if they get wet. Please make sure to also label your child's outerwear...Do you know how many pair of black snow pants and boots there are around the building?? This will help in finding the rightful owner of any lost items. Thank you!

Lunch/Breakfast Menus

NutriSlice is an innovative menu website for parents and students to view information about what is on the school menu for breakfast and lunch each day. You can see an image and description for food items, as well as nutrition and allergen information. This innovative and interactive site and mobile app make our school menus more convenient and informative than ever before!

Speak Up Research Project Survey

The Speak Up Research Project polls K-12 students, parents and educators about the role of technology for learning in and out of school and represents the largest collection of authentic, unfiltered stakeholder voice on digital learning. It is important that the Howard - Suamico School District students, parents, staff and community participate to assist our district in acquiring information for future planning needs. The Speak Up 2017 online surveys open October 16, 2017 through January 19, 2018. Please read more at **Speak Up 2017 Flyer**.
