[PRINT NEWSLETTER](#)

A Message from the Principal,

Bay Harbor Sailor Families,

Coming off of the 100th day of school excitement on Monday and leading into the love of Valentine's day celebrations Thursday, our students sure have a lot of excitement this week. Within that time, it is with our best effort and ability to create learning opportunities that are equally exciting. My hope is that you feel the same way about my newsletter entries. Enjoy.

Digital Learning Days (DLD) Update

Last year, many teachers at BH provided learning opportunities via Seesaw to students during our multiple "snow days". Students found these as fun and probably didn't realize they were learning or applying what they have learned. We will do the same thing this year, but it is now more systematic in every classroom around the district.

This week you were sent a message with an update in regards to DLD. A key point was "Why are we starting Digital Learning Days in the Howard-Suamico School District?"

- *Digital Learning Days maintain learning momentum and provide students with extended learning opportunities.*
- *We believe in a new direction of learning - Anywhere. Any time.*
- *We will maintain instructional minutes and avoid adding minutes to the calendar at the end of the school year.*

I want to make you aware of some "field tests" we will be doing during the weeks of Feb 10, March 9 and

May 11. More communication will come on this, but this is done to make sure key things are in place. I like to learn best by doing, so this works for me.

- Week of Feb 10 - Field Test 1 - *login and see a message from teacher* *Stay tuned
- Week of March 9 - Field Test 2 - *login, practice, and submit one learning experience*
- Week of May 11- Field Test 3 - practice Full Digital Learning Day

The goal is NOT to create more work for you or to "ruin" snow days for kids...this won't happen because I am a bigger kid when it comes to fun in the snow than any of the 400 we have! We will work to keep learning momentum and have fun while doing it. When students learn in the classroom and work on applying it outside the classroom...Learning sticks!

Thank you for your continued partnership,

Tony Ebeling, Principal

BOX TOPS CONTEST IN PROGRESS THROUGH FEB. 20TH

Dear Parents –

We are in the middle of our 2nd collection contest of the year! Collection sheets were sent home with students last week. **Please return the sheets by February 20th.**

Box Tops can also be submitted in a baggie or envelope (instead of attaching them to the sheets). Just make sure the bags are labeled with the teacher's name, so their class can be credited for the contest.

The class that brings in the most Box Tops will earn a Popsicle party.

Item to note – some Box Tops can only be redeemed by scanning your receipt through the Box Top App (you only have 14 days from date of purchase to do this).

Thank you in advance for your help with this.

Learning and Growing Together at the State Education Convention

"Education is the most powerful weapon which you can use to change the world" Nelson Mandela

The State Education Convention, sponsored in part by the Wisconsin Association of School Boards (WASB), met January 21-24 in Milwaukee and provided an opportunity for school board members and other administrators from HSSD to network, learn and share important issues related to public education in Wisconsin.

With the theme of "Expanding Your Vision," representatives heard keynote speakers and attended breakout sessions focusing on student learning, school finances, mental health, building community relationships, just to name a few. Learning from another school board or district can open new possibilities or create a reflection on our current policies for the Howard-Suamico School District.
