

## **Snowshoeing at Bay Harbor**

On March 20th, 21st or 22nd students in Mr. Vanden Hoogen's physical education classes will have an opportunity to experience snowshoeing. This activity will allow students to enjoy the outdoors, be physically active and possibly try a new adventure for the first time.

In preparation for this activity please send your child to school on the day of their event with appropriate winter clothing, including hat, gloves, boots, jacket and snow pants. Students who forget their gear will be allowed to call home or borrow from the lost and found.

Check the schedule below to see when your child's class will be snowshoeing. If you are interested in volunteering for this activity contact Mr. Vanden Hoogen for details.
