

TechGYRLS®

eliminating racism
empowering women **ywca**

What is TechGYRLS®?

YWCA TechGYRLS® is an 8 week program, with four sessions through the school year, for girls in 3rd-8th grade that gives hands on experience in areas of Science, Technology, Engineering, and Math in a fun and creative way.

What will I do in TechGYRLS®?

TechGYRLS® meets once a week for 8 weeks to work on exciting experiments and projects. They include building model houses, creating eclipses, planning a budget and much more!

What are the benefits to TechGYRLS®?

Girls will have a blast learning in a fun and creative environment where boys are not allowed! They will have the opportunity to meet real scientists and mentors from our community while exploring a variety of career opportunities.

What is the cost for TechGYRLS®?

TechGYRLS® costs \$50 per session and scholarships are available for those who qualify for free/reduced lunch.

How do I register for TechGYRLS®?

To register for TechGYRLS® complete the application or go to www.ywcagreenbay.org to download an application.

Programming Problems

Explore the art of computer science through programming, coding and by creating a computer game or story.

Adventures in Architecture

Join Barbie in designing houses, neighborhoods and cities. Draw like an architect and create a model of your dream house.

The Game of Life

How would you spend \$1 million? What type of house would you buy? Where would you go on vacation? Create budgets to help you spend your million dollars.
