

2017 - Jump Rope for Heart!!!

PARENTS:

Throughout the school day on Tuesday, **January 24th** students in kindergarten, first grade and Mrs. Utrie's 2nd grade class will participate in a specially designed event. While on Wednesday, **January 25th** students in second, third and fourth grades will participate in an event created for their higher level of skill! All students who participate will have fun, improve fitness, develop jump rope skills and join the fight to eliminate heart disease and stroke!

Students who choose to participate and raise money for the American Heart Association need to complete a fundraising envelope that will be handed out before the event during physical education class. Students earn thank you gifts based on the amount of money collected. Students are encouraged to call friends, neighbors or relatives to obtain sponsors. Donations will be accepted up until Friday, January 31st.
