A Message from Mr. Ebeling

Hello Sailor Families,

Today we kicked off our BEAR Reading Rewards program! BEAR stands for, **B**e **E**veryday, **A**ctive **R**eaders! Similar to last year, your student will be bringing home a parent letter and Reading Rewards packet in the Wednesday Take Home Envelope today. Participation in this program allows our school to "purchase" current events reading materials for our students such as Scholastic News and Time for Kids. These magazine are grade-level specific, and without participating in this program we would not be able to provide these publications to our students. Last year, each classroom was given \$250 for these materials because of your AWESOME participation. Remember, NO PURCHASE necessary! Just fill out the booklets with 7-10 names and addresses. These names and addresses WILL NOT be used for anything other than getting sent the postcard.

So, please take a minute to read over the materials that were sent home today, students can turn in completed postcard booklets and family magazine orders starting tomorrow! Families can also buy or re-new magazine subscriptions and our school will receive EXTRA credit for subscriptions ordered. **All materials are due by Thursday, March 19, 2015.**

For students who participate, they will be receiving a lanyard and bear for postcard booklets and an additional bear for each family magazine ordered. The kids are always excited about this part.

Thank you for your continued partnership,
Tony Ebeling, Principal

Guidelines for when Wearing need to wear Coats out at Recess During the Late Winter/Early Spring Months:

- Parents/Guardians: These are the guidelines we will be using when it comes to students wearing coats out at recess time during the always changing temperatures at this time of year:
- **Temperatures above 60 degrees** - Students are not required to wear a coat
- **Temperature between 50 and 60 degrees** - Our Lunchroom/Playground Supervisors will decide if students need to wear a coat (based on wind, etc).
- **Temperature below 50 degrees** - Students Must wear a coat

Please remember to have your child(ren) have the appropriate outer wear at school, including boots based on the weather conditions and temperature. The playground area/grounds can be very wet/muddy even if the temperatures are warm.

Take Home Envelopes - Reminder

Parents/Guardians: Each Wednesday, (with an occasional exception) flyers about upcoming events, forms to complete, letters, and/or other information is put into the Take Home Envelopes to be brought home for parents/guardians to take a look at. Please check to see what might be in the Take Home Envelopes each Wednesday and then return them back to school so that they can be used again the following Wednesday. Many times teachers are not getting all of them back from their students each week. Thank you so much for your cooperation.
