A Message from the Principal...

Sailor Families,

Thank you for your help so far with our Time For Kids Reading Rally. There are a lot of students walking around with penguins around their necks which means free magazines for Bay Harbor. We STILL need your help! If you haven't done so, please help us by filling out 7-10 addresses in the booklets provided, and have your child return them to school by Thursday. The names and addresses you provide will never be used outside of this ONE TIME mailing. There is no purchase necessary for our school to benefit from the FREE TFK offer. Meadowbrook Elementary is currently in their 2nd year of doing this and they are receiving school-wide free magazines for their efforts.

Thank you in advance for your cooperation,

Tony Ebeling, Principal
 Bay Harbor Elementary School

3rd Grade Immigration Quest - Tuesday, March 18th

As part of our 3rd grade Immigration Unit, all third grade students will be immigrating to the United States through Ellis Island. We are setting up a model of Ellis Island in the Library Media Center. This is the eighth year we have performed this Quest, and **we need your volunteer help!!**

We are asking Moms, Dads and others in our community to help us with this program. Would you be available on **Tuesday, March 18, from 8:30 a.m.-11:15 a.m. to help** with the Ellis Island Quest? You will be one of the "investigators" on Ellis Island that poses questions to the students and checks over their papers to be certain they have proper identification. We want to be certain that these new immigrant families do not carry disease, and that they have a sponsor or a job that would be beneficial to the United States. (Your parts are scripted.)

Third grade families will be receiving a participation letter and sign up shortly. If you want to participate in the Ellis Island simulation and are not a third grade family, please contact Lydia Storby from lydistor@hssd.k12.wi.us or 662-8811.

Snowshoeing at Bay Harbor

On March 19th, 20th or 21st students in Mr. Vanden Hoogen's physical education classes will have an opportunity to experience snowshoeing. This activity will allow students to enjoy the outdoors, be physically active and possibly try a new adventure for the first time.

In preparation for this activity please send your child to school on the day of their event with appropriate winter clothing, including hat, gloves, boots, jacket and snow pants. Students who forget their gear will be allowed to call home or borrow from the lost and found.
