**We all have INNER MAGIC!**

By: Mrs. Wright, School Counselor

All of our Bay Harbor Sailors are getting an amazing opportunity this week from a local author who is also her own illustrator. Her book, "Lunchbox Hero" is about finding your inner magic to work through situations when bullying occurs. The author, Ms. Elizabeth Turunen, is talking with all students about the writing process, how her illustrations are inspired, and most of all, how to believe in yourself. She is working with all of our students this week at NO COST, but would GREATLY APPRECIATE you checking out her book for purchase on Amazon. Please

**CLICK HERE** to be directed to her amazing children's book with a very powerful message for kids. She would also LOVE for you to "Like" her Facebook page for more information about her book, events, etc. Please find her on **Facebook by clicking here**. Thank you for your support!

**OUR LITTLE CORNER OF THE EARTH...**

Hello Families!  
 We are trying to make Bay Harbor straw free by Earth Day. Students have an option to not use a straw at lunch with their milk. We have given stickers to encourage students to not take a straw.

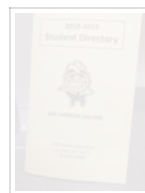

Here is a fun fact, experts predict that by 2050 there will be more garbage than animals in the ocean. You can join us in our steps to help the Earth by saying, "No thank you to straws!" Remember: Skip a straw, one step at a time. Stay tuned for more information!

***From your School Board***  
***Learning and Growing Together at the State Education Convention***

Every January the State Education Convention, sponsored in part by the Wisconsin Association of School Boards (WASB), takes place in Milwaukee. It is an opportunity for school board members, superintendents, and other school administrators from all across the state to network, learn, and share important and timely issues and ideas related to public education in Wisconsin. The theme of the 98th Wisconsin State Education Convention was "Leading for Excellence and Equity." Howard-Suamico School Board members conducted a breakout session at the Convention on *high-performing Board/Superintendent relationships*. This presentation provided valuable information regarding Howard-Suamico's policy governance model.

Participating in the Wisconsin Association of School Board Education Convention each year is just one way that the Board of Education embraces their shared dedication to life-long learning.

If you have any questions for the Board of Education, please reach out to your Board member located in this article.
