## A Message from the Principal...

Good Afternoon Sailor Families,

With spring drawing near, it is a good time of year to review some key safety details and managerial items. The below items are some of the top concerns:

1. Please do not drop off students prior to 8:30am UNLESS they are going to breakfast which starts at 8:20. There is a growing amount of students showing up at 8:10, 8:15 and so on. There is no scheduled supervision for students at this time. We do have a CHAMPIONS before school care program in the event it is not consistently possible to drop off at 8:30. Thank you for your consideration.
2. NO PARKING in the fire lane for any reason. We have been contacted multiple times recently by authorities stating they are going to start ticketing unmanned vehicles that are parked in the fire lane. In the event you are needing to come into the school (before or after), PLEASE park in the parking lot. To help with reminding, and prevent tickets, I will be monitoring this area for a while. Thank you for your understanding.

Spring Break is NEXT WEEK! It is a great time for kids to take a deep breath, play, relax, laugh, sleep in, READ, and rejuvenate so that they are ready to end the year strong! Thank you for your continued partnership as we continue to work together to ensure that our students have the knowledge and skills to succeed in a changing world!

Tony Ebeling  
Principal

**The NED Show assembly is coming to Bay Harbor again on April 16th!**

**NED** stands for "Never Give Up, Encourage Others, Do Your Best". This is a character-building assembly combined with a great message with yo-yo's, humor and

audience participation to teach students to become champions at school and in life. This assembly is seen by nearly 2.5 million kids a year worldwide, including special events at the White House. **NED Yo Yo's will be available for sale - watch for the order forms coming home in the Take Home Envelopes on April 16th!** These fun, old fashioned, "no-batteries-needed" products are a tangible way for kids to keep NED's message in motion long after the assembly is over! We look forward to the lasting, positive impact it will have at our school.
