Artist in Residency at Bay Harbor

Randy Peterson!

April 30th - May 4th

Dear Families,

From April 30th-May 4th, students at Bay Harbor will have the opportunity to be part of a week long artist in residency with Randy Peterson! Randy is a local singer, songwriter, and storyteller who has been working with children and creating children's music for over 30 years. During the week long residency, students will meet in groups three times with Randy to write/revise lyrics, and record their own original songs. The week culminates in an assembly where students perform their songs for each other. I am so excited for students to have this experience! I would like to thank the PTO and Student Council for funding this week long artist in residence program and showing their support for the arts in our school. If you have any other questions about the upcoming artist in residency, please feel free to e-mail me at laurbela@staff.hssd.k12.wi.us.

School Board Connection:

Thank You!

On April 3, 2018, the communities of Howard and Suamico approved the operational referendum, placed on the ballot by the Board of Education, by a 58.6% to 41.4% margin.

Thank you to residents who attended listening sessions, asked questions, and voted. Your engagement demonstrates our communities' interest and dedication to our students, staff and schools.

The results represent a vote of confidence in the vision for the school district and will allow us to address critical needs, including reducing class size, enhancing teacher compensation, and maintaining facilities. We will continue to give regular updates on the referendum.

If you have any questions for the Board of Education, please reach out to your school board member.
