A Message from Mr. Ebeling,

Hold on to your hats, the last part of this year is going to fly by. The weather is trying to warm up, the playground is trying to dry out, and after school activities are ramping up! At Bay Harbor, we are going to do our best to keep the seas calm and learning as our priority! I continue to be impressed with what I see each day from our teachers and our learners. Continue to talk to your children about focusing on their learning goals, working hard, and ending the year strong! As always, your partnership is necessary and appreciated.

Have a wonderful rest of your week!

This "Playground update section" will be a running item in each newsletter. We will need ALL of your ideas and support as we try to make this "inclusive playground" a reality more sooner than later. This QR code will take you directly to our "Go Fund Me" page - or **Click here**. ALL donations are welcome (\$5 goes a long way).

7th Annual A Pair and A Spare drive Monday, April 20 - Friday, May 15, 2015

We are asking for **your** help in supporting **A Pair & A Spare: Brown County's Undercover Challenge**, an

annual collection for new socks and new underwear. Collection boxes are located at each school within the Howard-Suamico School District.

New socks and new underwear are two of the most requested, and least donated, clothing items. All donated items are distributed to Brown County Homeless and Housing Coalition agencies, shelters, and organizations that serve those in need. Digi Know... Screen Time

Many children today spend most of their day in front of a screen. This may include television, computer, tablet, and phone screens. In some cases, too much screen time can lead to issues such as the following:

- Poor sleep
- Lower reading scores

Click here for the link to a "ThirtyOne" fundraising opportunity - 20% of sales will be donated to the playground fund!

Thank you to all who came out to Zesty's last night and supported our Literacy Room Fundraiser! We had a wonderful turn out. Also thanks to Zesty's for helping to support literacy and education!

Thank you to everyone who attended the PTO Family Movie Night last Friday!

Despite the beautiful weather the turn out was great. Goes to show that our Bay Harbor community continues to thrive no matter what

the circumstance. The event would not have been a success without the help of many of you. Thank you to all who donated treats and drinks. Your generosity is appreciated more than words can describe. And thank you to the following for donating treats, but, also donating your time so that we could put on the event! Mr. Ebeling. You always step up and go way beyond what is asked and needed, you are GREAT! Sally and Roy for always doing behind the scenes work that pulls it all together. Without the two of you, there would be loose ends all over the place! And last but certainly NOT least, our dedicated volunteers. Sara Gillette, David Gillette, Dawn Brandt and Amy Lannoye. Chris Lammers was ready to do the event all on her own, but you all saved the day! Thank you!!!

AND... we hope to see all of our Bay Harbor Mom's (or Aunt's, Grandma's etc) and their boys for our **3rd Annual Kickball Game at Idlewild Park on Saturday, May 9!** After the game, pizza and a cold treat, will be available with the price of each ticket. Look for more details in regards to RSVPing, prices etc. in next weeks newsletter. It will be boys against the women, so start your training ladies! We want to win this year right?!

Golden Award Winners!

Although students can benefit from using screens for educational purposes, sometimes family dynamics are adversely affected by an over abundance of recreational screen time. To this end, the [Campaign for a Commercial-Free Childhood](#) sponsors a [Screen-Free Week](#) each year. This year's event is being held from May 4-10. The following are tips from them to help your family reduce the amount of time spent in front of a screen.

- Turn off electronic devices during meals. Use this time to engage in family conversations.
- Keep electronics out of bedrooms. This will help improve sleep.
- Limit the amount of recreational screen time to less than two hours each day.
- Choose certain days or times of the day to be screen free.
- Designate technology free areas of your home.

For more information about screen time or screen-free week, your child's library media/technology integration specialist recommends the following resources:
