This program is not part of Summer School

newsletter.

Other News

Thank you volunteers!

A HUGE thank you to all of the volunteers that helped to make the Father/Daughter Dance such a GREAT event! To those who baked a super cute treat or who helped before, during and after the dance, thank you so so much for your contribution. It could not have been such a memorable night without you!

Student Directories

We are currently sold out of Student Directories, but we would put in another order for more if we would get enough families interested in purchasing one. If you would be interested, please notify the office and we will see what happens. They would be sold for \$2.00 each.

They might come handy this summer to help stay connected to friends.

Moving?

Please notify the school office at 662-8800 as soon as possible if your child will be transferring out of Bay Harbor or the district at any time.

Also, contact the school office when an address, phone number and/or contact information changes. It is important to keep student records accurate in case parents need to be contacted in an emergency situation. It also ensures accurate communication between school and home.
