A Message From Mr. Ebeling - Volunteer Appreciation

As we continue to focus on making each day count and NOT counting how many days are left, I want to slow down and make sure to THANK the wonderful volunteers we have at Bay Harbor. Each of our volunteers are different: some come every day to work with our readers; some come once a week to fill the communication folders; some come to help supervise our recess or lunchroom; some come to help teachers get the "extra" things accomplished; some come when we have special events; and some do an unbelievable amount of behind the scenes work to ensure our school continues to be great. No matter the level of volunteering you do, I want you to know that you are appreciated and needed. We have a special school because of all that you do! Remember, don't be afraid to reach out and let us know some of your talents that you would like to share. All talents are welcome:)
