May- "Counselor's Cove"

By: Becky Wright, 2nd- 4th Grade School Counselor

This is my last issue of "Counselor's Cove" for this year....I want to express my gratitude to all of our amazing students, families, and staff for so graciously welcoming me to Bay Harbor this year. Being here for the last 5 months has been an absolute pleasure....I have truly enjoyed working with your children and am excited for what next year will bring at Bay Harbor.

We ended our year in Lifeskills class reviewing Protective Behaviors. With summer right around the corner, it is so critical to review basic safety with your children. Students did an awesome job helping each other remember various aspects of water, bike, stranger, home, and sports safety. In 2nd and 3rd grade, we also reviewed the "Swimsuit Rule" which focuses on the fact that our bodies belong to us and no one should ever make us feel uncomfortable in any way related to our bodies, with the exception of trusted adults helping us stay clean and healthy, like doctors and parents. I also found out that many students did not know their home address or a phone number to reach a parent, so that is another very important thing to discuss at home in the event of an emergency. The motto learned was, "Check first before you go anywhere with anyone, and if you can't check first, the answer is no"!

If you have any questions, concerns, or needs over the summer months, please feel free to reach out to me through email at rebewrig@hssd.k12.wi.us . Enjoy the sunny, warm days ahead!

extra memory books that can be purchased for **\$13.25** each. They will be sold on a first come-first served basis. Please call the office at 662-8800 if you would like to purchase one. Checks should be made out to "Harmann's Studios". All Memory Books will be sent home on the last day of school so that they can be signed that morning by teachers and classmates. *Note: Any student who did not purchase a Memory Book from Harmann's will receive a generic memory booklet on the last day of school for signatures of classmates and teachers.*

came out to help raise autism awareness. There were prize drawings, Starbucks coffee, face painting, massages, music, and tons of food, including a Pac Man-themed cake in

honor of Myles' 12th birthday. Most exciting of all; however, was that thanks to the fundraising efforts of nearly 400 students from all across the Howard-Suamico School District, the total amount donated, including goods and services, was over \$20,000.00! We simply cannot thank all of our sponsors enough - this event would not be possible without their support. For a list of all donors, or to learn more about the event, please visit: www.2myles4autism.weebly.com

Monetary donations will be used to directly benefit autistic students in the district beginning this summer with a training workshop for all Special Education teachers and aides that will be funded completely by 2Myles4Autism.

Please mark your calendars for next year's event, which will be held on Saturday, April 23rd at Meadowbrook Elementary School beginning at 9 a.m. We'd love to see you there!
