This is our final PTO Family Fun Event of the school year - Get ready to play Kickball! Lace up your sneakers and come and join us this Saturday, May 9th for our 3rd annual Mother/Son kickball event at Idlewild Park! We hope to see all the boys and their "opponents" (*it can be mom, grandmother, aunt, etc*) for a fun, healthy, FREE, competitive kickball game! Just show up and we will make up the teams. There will also be pizza, water and popsicles. *Note: If this event would need to be canceled due to wet weather or poor field conditions, a message from the school*

will go out to inform parents.

Field Day - Friday, June 5th Volunteers Needed!

Calling all Bay Harbor Families - **WE NEED YOUR HELP!** We are looking for volunteers to help us with Field Day activities for **1-2 hours on June 5th**. We are looking for people to assist with lunch, games, and to distribute the end of the day treat between 10:45 AM and 2:30 PM.

If you are not familiar with Field Day, it is a fun filled event to celebrate the end of another school year. This event runs from lunch time until the end of the day. The students eat a picnic lunch and then head over to Idlewild Park for various games and finish the day off with a cool treat. This is a SUPER FUN event for ALL students but it takes many volunteers to make this day a success!

If you are interested (and even if you can't commit to an entire hour), please fill out the Field Volunteer Form that was sent home with your child in the Take Home Envelopes last week. Please return it to the school office by **May 22nd**. If you do not receive the form and are interested in volunteering, please contact Rich Glen at rcglen@msn.com or you can [click here](#) to print off the form and send it in to Bay Harbor.

Students today across the country spend an immense amount of time staying connected through the various forms of social media. Most social media networks require users to be at least 13 years old, so make sure to check the user policy of each website before creating an account. In order to keep kids safe online, here are some tips from Common Sense Media on how you can be protected when using social media.

Social media tips to share with kids:

- **Use privacy settings.** Privacy settings aren't foolproof, but they can be helpful. Take the time to learn how privacy settings work on your kids' favorite sites and apps, and teach your kids how to control the information they make public or private. Encourage them to check privacy settings regularly, since sites' policies often change.
- **Tell your kids to think before they post.** Remind them that everything can be seen by a vast, invisible audience (otherwise known as friends-of-friends-of-friends), and, once something's online, it's hard to take back.
- **Be a friend and follower.** Each family will have different rules, but, especially for younger kids, it's a good idea for parents to have access to their kids' pages, at least at first, to be sure that what's being posted is appropriate. Parents can help keep their children from doing something they'll regret later.
- **Keep private information private.** Don't share your home address or other sensitive information online.
- **Be respectful of others.** Kids may use social media to act out because they feel anonymous and that their actions are consequence-free. Make sure they understand that the Internet is a giant community that works best when everyone respects each other.

For more information about protecting yourself on social media, talk to your child's library media/technology integration specialist. If you would like to learn more about how to keep your child safe online please visit, [Common Sense Media](#).

7th Annual A Pair and A Spare drive Monday, April 20 - Friday, May 15, 2015

We are asking for **your** help in supporting **A Pair & A Spare: Brown County's Undercover Challenge**, an annual collection for new socks and new underwear. Collection boxes are located at each school within the Howard-Suamico School District.

New socks and new underwear are two of the most requested, and least donated, clothing items. All donated items are distributed to Brown County Homeless and Housing Coalition agencies, shelters, and organizations that serve those in need. A Pair & A Spare: Brown County's Undercover Challenge is a unique way to help those in need, by providing a few essential clothing items that will mean so much to the recipients
Thank you!
