### Order forms going home today in the Take Home Envelopes!

Once again this year, you will have the opportunity to take advantage of an easy, convenient, and time-saving way to purchase school supplies for next year. "School Kidz" is a program that supplies you with a kit that contains all of the supplies listed on our "school supply lists" that are put together by our teachers for each grade level. These kits are competitively priced and take the hassle out of shopping for these items on your own. **Look for these order forms in the take home envelopes! You can also order back packs.** The kits will be delivered to school in mid August in time for you to pick them up to get ready for the start of another school year. Many parents who have ordered these in the past ask for them every year. It is a great convenience!
