Attention Parents of 4th Graders! Correction to the Getting Ready for Lineville Summer School Class

Getting Ready for Lineville Intermediate School (Grade 5 and new intermediate school students) 8:30-12 noon each session. Please sign up for only 1 session - August 20th OR August 21st

Where will my locker be located? How do I work a combination lock? What classes will I be taking? Will I be able to find my classes without getting lost? Activities will include tours of the intermediate school, practicing locker combinations, learning about the intermediate school structure and schedule. Students will be able to meet most of the 5th grade staff so there is a familiar face and smile on the first day of school.

At 11 o'clock, adults will join students for a Passport experience giving the students more time to practice getting around and show off what they have learned! This time will also be an alternative "Open House" time allowing for parent(s) to meet teachers and everyone to set up their lockers! Using this time eliminates the need to come during the hectic district Open House night. Students will get a head start and feel much more comfortable transitioning to the Intermediate School by taking this class. (Students should enroll in only 1 session).

From your School Board

April 2019

New Board of Education Members

On April 2, 2019, Scott Jandrin and Jason Potts became the newest elected members of the Howard Suamico Board of Education.

Jeff Eilers

The decision to run for a seat on the Board of Education reflects a commitment to public service and dedication to democracy. A choice to serve in this manner is particularly significant because locally elected officials are closer to the individuals they represent than other policymakers. Public schools carry out one of society's most important tasks - educating students to become productive, responsible, civic-minded adults who prosper and serve.

As a school board member, one must balance the interests and values of children, parents, teachers, administrators, taxpayers, business leaders, and retirees among others in our school district. Performed with sincerity and thought, service on a school board is a vital public service.

The mission of the Howard-Suamico School District Board of Education is "to enact policies and allocate resources to develop all students' full academic potential and to promote their social and emotional growth." Therefore, it is desirable that our board of education consists of members who:

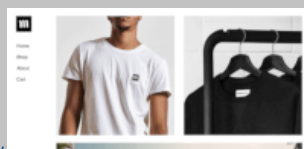

- *Are visionary and able to create alternate futures*
- *Are conceptual thinkers*
- *Grasp the big picture*
- *Are connected to District ownership*
- *Demonstrate moral courage*
- *Can work within a group setting*
- *Accept and use authority*
- *Can allow others to lead*

The HSSD Board of Education appreciates outgoing school board members, Mark Ashley and Maria Lara's dedicated service. Our school district is truly a better place because of their investment of time and talents.

For more information about the Howard-Suamico School District please visit our website at www.hssdschools.org or for additional information regarding this article, please reach out to your Board member located in this article.

If you have any questions for the Board of Education, please reach out to your Board member located in this article.
