Message from the Principal

Welcome Back! In an effort to provide efficient, cost-effective and up-to-date information for our families, each of the elementary schools will be moving to an online one page newsletter starting with the 2012-13 school year. As you can see by the new format of the newsletter, forms and other information will be available to you in greater detail via links. On our school website <http://bayharbor.hssd.k12.wi.us/> you will find a link to all of our newsletters as they get published during the year. If you do not have internet access, the office will have a paper copy available for pick up.

We believe that up-to-the-minute information is critical in allowing our families to feel informed and comfortable in our schools. With that, our hope is that you will enjoy this newsletter format. I have also created a Principal's Website this year at bayharbor.weebly.com. My website will also allow parents to Sign-Up for [Text or Email Notifications](#) to keep you up to date with important reminders.
