Meet a new teacher at Bay Harbor this year - Jill Rosenthal

Hello Bay Harbor Families! I am new to the school district and will be teaching first grade this school year at Bay Harbor. I am so excited to be part of such an amazing school district and school. I graduated in January 2008 from UW-Oshkosh with a dual certification in Special and Elementary Education. I was an Early Childhood Special Education teacher (3 ½ years) and Kindergarten teacher (2 years) for the Pulaski Community School District for the past 5 ½ years. My passion has always been to teach and I feel very blessed to start this new chapter in my life. My husband, Jake and I live by Green Bay Southwest High School and have two daughters, Charlotte (3) and Macie (1 ½). I really enjoying golfing, skiing, photography, and spending time with family and friends. I really look forward to working with all the families at Bay Harbor and am excited for this school year.

School Report Cards

This week, the Wisconsin Department of Public Instruction (DPI) will issue a School Report Card for every public school in Wisconsin and a District Report Card for each district as well. The School and District Report Cards, using multiple measures of student learning, will provide valuable guidance on how our schools are doing and where we can improve. The new

report cards will help all Wisconsin public schools and districts get a better picture of how well they help children learn, advance to the next grade, and graduate ready for college and career. [Click here to read more.](#)
