

Brown County's Undercover Challenge

A Pair & A Spare: Brown County's Undercover Challenge

The 5th annual “Undercover Challenge” is underway in the Howard-Suamico School District now through September 26th, 2012.

When faced with a limited budget and many necessities to pay for such as food, shelter or prescription medicines, individuals and families tend to put socks and underwear at the bottom of the list. And oftentimes, there is an embarrassment associated with not having these items, not to mention it can be uncomfortable and cold in the fall and winter.

We are asking for your help in supporting [A Pair & A Spare: Brown County's Undercover Challenge](#), an annual collection for new socks and new under garments. All of the donated items are distributed to more than 20 Wisconsin agencies and organizations that serve those in need throughout Brown County, including the Howard-Suamico School District.

New socks and new underwear are two of the most requested, and least donated, clothing items at thrift stores, homeless shelters and agencies serving low income residents. [A Pair & A Spare: Brown County's Undercover Challenge](#) is a unique way to help those in need.

The needs of families in the Howard-Suamico community continue to grow and we rely on this challenge to help meet some of those needs. Thank you for your support of this worthwhile cause!

Collection boxes will be located near the front office in each school. If you have any questions, please contact: **Melanie Brick, School Social Worker & Homeless Coordinator, at (920) 662-7260.**
