### Meet the new School Nurse for the elementary schools in Howard-Suamico - Hilary Wied

Hi! My name is Hilary Wied and I graduated from Carroll University with my Bachelors of Science in Nursing. After nursing school, I worked as a pediatric nurse at the Children's Hospital of Wisconsin in Milwaukee caring for patients of varying ages and illnesses. My husband and I have recently moved back to the Green Bay area to be closer to family - as I was a Bay Port grad and there is no better place to live than Howard-Suamico! In my free time, I have started taking graduate school classes in Biosecurity, Disaster Preparedness and Infection Control. I also love hanging out with my adorable and sassy puppy named Benji, running, reading, and traveling with my husband. Bay Harbor will be one of the schools I will be working with, overseeing medical care of acute and chronic health needs, as well as getting into the classroom to do education on hygiene and other health topics! I can be reached at 920-662-7946 or via email at [hilawied@hssd.k12.wi.us](mailto:hilawied@hssd.k12.wi.us).

### Hearing Screening at Bay Harbor

The Brown County Health Department staff will be coming to **Bay Harbor Elementary** to provide Hearing and Vision Screenings for the designated grades and other requested students. The Hearing Screening will occur on **Monday, October 13, 2014**. All 5K and 1st graders, any new students to the district, and any students requested by teachers or parents/guardians will be tested. If your child does not pass the initial hearing screening, a rescreen will be performed in four to six weeks to determine if there is a persistent hearing problem. If they still do not pass, a letter will be sent home indicating the importance of following up with a physician and/or audiologist. The screening is not a substitute for a regular examination by your physician but is meant to identify persistent hearing loss in children and bring it to the attention of parents/guardians and teachers. **IMPORTANT NOTE:** If you DO NOT want your child screened for hearing and/or vision YOU MUST contact your child's school at least

Football field due to the new turf installation at Bay Port. There will be a full concessions stand and Bay Port apparel, seats & blankets will be available. The Bay Port Pep band, cheerleaders and the dance team will all be there to fire up the fans and the team. Join the Pirate Nation for dinner and a game at Bay View Middle school! See you nice and early at 4:30 on Friday!
