

April is Autism Awareness Month and this 2.5 mile run/walk is a family event that will help to raise autism awareness. Students are organizing the event – 4th graders in Mrs. Moran’s class at Meadowbrook and 1st graders in Mrs. Brandt’s class at Howard. All proceeds go to provide technology tools for students with autism in the Howard-Suamico School District. For more information, [click here](#). Also, to see a flyer for the event, [click here](#). You can also visit the event website at <http://2myles4autism.weebly.com>.
