

**#eatsleepswim**

**Come swim and compete in the brand new  
Howard-Suamico Community pool!**

- Are you looking for a sport that promotes fitness, personal improvement, and goal-setting?
- Are you interested in having your child learn the fundamentals of hard work and have fun while doing it?
- Come join a club where we promote team unity, work ethic, and fun! As swimmers get acclimated to the sport, they will be taught how to be competitive and successful. We range in ability from brand new swimmers to state/national qualifying swimmers!
- Please email Lauren Mauel with questions and your interest at [lolomauel@gmail.com](mailto:lolomauel@gmail.com)! Tryouts for the team are May 4<sup>th</sup> at Edison pool from 4-5 p.m. We will practice there until Lineville pool is done (June 1<sup>st</sup> is the projected opening of the new pool)
