Suamico Recreation Department Program Offerings

DANCE for AGES 3+ - The Suamico Recreation Department is now accepting registrations for their annual dance program for ages 3 and up. We will be offering tap, ballet, jazz, poms, technique, & hip hop classes beginning October 21 and ending with a recital at Bay View on March 21. For more information, visit www.suamico.org or you can contact Lisa Long with any further questions at 434-3631 or 676-8232.

AIR, LAND & SEA LEGO® CLASS for GRADES K – 5 - Students will step aboard to build some exciting ways to get from here to there. Take to the sky in the Bricks 4 Kidz helicopter model, race across the beach in an ingenious land sail, or zoom through the water on a jet ski. Kids will learn what makes each machine unique and how it moves, exploring concepts such as buoyancy, propulsion, lift and g-forces! What other ways will you invent to travel through air, land and sea? Whether you're a high-speed thrill-seeker or just curious about how things work, this class offers something for everyone. Classes run on Thursdays, October 10 – November 21 from 4:30 – 5:30 p.m. at the Municipal Services Center on Velp. The cost is \$54 for Suamico residents and \$64 for Non-Residents. For more information, visit www.suamico.org.

For more information on any of the programs listed above please check our website at www.suamico.org or call Nikki at 434-8410.
