

2myles4autism 2nd Annual Run/Walk Event

Sunday, April 28 - 9:00 am at Meadowbrook Elementary

A 2.5 mile run/walk to help raise awareness for autism

The 4th graders in Mrs. Moran's classroom at Meadowbrook Elementary School are pairing up with Mrs. Brandt's 1st grade classroom at Howard Elementary to plan and organize the 2nd annual 2Myles4Autism. Just like last year, this will be a 2 mile run/walk at Meadowbrook Park which will be held on Sunday, April 28th at 9:00 a.m. April is Autism Awareness Month and the date of the event is on Myles' 10th birthday. Myles is a 4th grader in Mrs. Moran's class at Meadowbrook Elementary School. Having autism means that he struggles with understanding how to navigate the many social aspects of school and life each day. He is lucky enough to have great teachers and be part of a wonderful class that understands and supports his struggles.

Registration fees are \$7 per person or \$25 per household. All proceeds will help to purchase technology equipment for students with autism in the Howard-Suamico School District. Registration forms, along with your check, are due by Friday, April 19th if you would like a t-shirt; however, people can still register and participate all the way up through race day. You can download the registration form by **clicking here**.
