Baseball Families:

As we prepare for the upcoming baseball season, we have a great opportunity for you to clean out those closets, basements, and garages while supporting local student athletes!

Did you know that there are students in your own neighborhoods that would love the opportunity to play ball but due to financial challenges, this becomes difficult. You can help change this! We are hosting an event for all youth in the school districts of De Pere, West De Pere, and Howard-Suamico.

How can you help?

We are looking for your donations of gently used baseball equipment, clothing, tennis shoes, cleats, and or accessories that your family no longer needs or has outgrown (we welcome any equipment from other sports as well).

Contact Michelle Dahlke at 920-265-0030 or Michla80@gmail.com or Debbie Hebert 920-366-6496 or debohebe@hssd.k12.wi.us for donation drop off and/or pick up. Or talk with your child's coach about possible drop off options. **All donations need to be collected by March 1st, 2018**

How does this support student athletes?

Your donations will be sold at "garage sale prices" so families can shop at an affordable cost. Therefore, the families that cannot afford to purchase brand new items have the opportunity to purchase items at a very low cost. This will hopefully prevent financial struggles so all kids that want to play can!

Monies raised through this event will provide assistance in paying for required fees and/or equipment (if needed since items should be available at the sale) for identified student athletes in need. Again, in hopes to prevent all barriers so all kids that want to play can!

For more information, please contact Michelle Dahlke at 920-265-0030 or Michla80@gmail.com or Debbie Hebert at 920-366-6496 or debohebe@hssd.k12.wi.us.

We can't thank you enough for your commitment to our youth and for making a difference in their lives. More information will follow as to the time and location of the event! Now let's go play ball!
