BHRC is organized around the activity of running, but the focus of the club is to promote the well-being of the child. The club will promote fitness and encourage sportsmanship and a positive mental attitude. Basic Techniques, skills and strategies of running will be taught as well as values related to the sport. Winning and losing, cooperation and consideration will be consistently discussed. BHRC has proven to be a rewarding experience for the parent coaches and the children involved. Please encourage and support your child in this effort. It is the expectation of the coaches that students will be running and not socializing during BHRC. Before consenting to your child's participation in BHRC, please review the guidelines that follow...

Bay Harbor Running Club Guidelines:

1. Runners must check in and out of BHRC. Attendance will always be taken at the beginning and end of practice. No runner may be picked up while out on the course. All runs begin and end at the playground.
2. Although attendance is voluntary, too many missed practices will result in being dropped from the club.
3. Any runner dropping out of BHRV will not be permitted to rejoin this year.
4. No electronic devices (cell phones, ipads, video games, etc.) are allowed to be used during BHRC.
5. Parents wishing to watch their child is encouraged, but we'd rather you walk and/or jog with us.

Bay Harbor Running Club will be implementing an “incentive program”. Runners will be tracking their own mileage during running club and will be given a “foot charm” when they reach certain mileage goals. No “lost charms” will be replaced.

IMPORTANT: In order for your child to participate, you must complete and sign the Permission Slip and Code of Conduct. **Please turn in the Permission Slip and Code of Conduct no later than MONDAY, APRIL 2ND.** Your child will not be allowed to participate until we receive it. If you can volunteer, please fill out the volunteer section. If you have concerns or questions, please feel free to contact Molly Rindt at molly.rindt@yahoo.com or 920318-9133.

We look forward to working with your children during Bay Harbor Running Club this year!
