

FALL FEST INFORMATION and VOLUNTEER SIGN UP!

Please read carefully and all the way through!

The Bay Harbor Parent Teacher Organization (PTO), prides itself in offering family fun events throughout the year. Our goal is to continue to build a positive community for our school. Because of this goal, we do not ask parents to participate in the traditional fundraisers (selling cookie dough, pizzas, wrapping paper, etc.) like many other organizations do. However, in order to support building initiatives, purchase items for the school, put books in our children's hands, provide Sailor incentives, etc. we do need to have a working budget. To build our budget, we have one large Family Fun event and several smaller events throughout the year. We also hold our annual Donation Drive.

The Fall Fest is our biggest Family Fun event of the year!

We hope that your family will join us in supporting this fun-filled event **Saturday, Oct. 24th - 11:00-3:00.**

The paragraphs below offer information as well as several ways families can help out with this event.

Note: When you click on a link to sign up for the first time, you will be asked to create an account. After that is completed, you can sign up for as many opportunities as you would like. Your information is safe and your email information is shared only with the chairs of Fall Fest. After every sign up you participate in, you will receive a confirmation email and a reminder email 2 days before the event.

For questions, please email bhfallfest@gmail.com. Thank you in advance!

VOLUNTEERS NEEDED!!

In order for it to happen, we need a lot of volunteers! Our Volunteers are the heartbeat of Fall Fest. Without you, Fall Fest would not be a success! We have many opportunities to volunteer the day of Fall Fest. Please take a look below and click the links to sign up for the category and time slots that would work with your schedule. We ask that all volunteers report to their scheduled post 10 minutes prior to your shift starting so you can be trained for your shift. Please be punctual ☺ See the descriptions below.

CLASSROOM GAMES: Each grade level has been assigned a game to run and has a link below to access their schedule. Each volunteer for the games will need to be willing to welcome the kids, tell them how to play, take their ticket or punch their punch card, give prizes and complete any set up required for the next child to play. If you would like to include other members of your family to all work together, that would be great! You still only need to sign up once for your group unless you would like to volunteer to work more than one time slot. To volunteer, click the link next to the grade level you would like to help with.

GENERAL VOLUNTEERS: Fall Fest has many moving parts. As a general volunteer, you would be scheduled in one of the following areas where needed. If you choose to sign up here, you will be assigned to one of these areas for a one hour time slot; Food, Tickets, Runner, Bake Sale, Auction, Raffles, Classroom Art Raffle, Registrations, Bounce Houses and Arts & Crafts. This sign up is not designated by area to help, only by time. Please select a time slot that works with your schedule. You may request to work in one area or another, and we will do our best to accommodate your request, but we will not make promises. Please know that wherever you are scheduled is the area we need you the most. To sign up to Volunteer, please [click here](#).

AUCTION & KIDS RAFFLE DONATIONS: The Fall Fest auction committee has been working hard to get items for our Auction and Kids' Raffle. Here are some things to think about.
Do you or someone you know...

- Work at a place that would be willing to contribute something for either the auction or kids' raffle?
- Work with a foundation that would be willing to contribute something for either the auction or kids' raffle?
- Have any creative ideas to include with the auction or kids' raffle?
- Have a special talent (teach piano lessons, wrap Christmas gifts, bake desserts, etc.) that you'd be able to offer a certificate for either the auction or the kids' raffle?

If you answered yes to any of these questions, [please click here to donate!](#)
We also need creative, large containers and large baskets for our auction items.
