

The Giving Tree needs our help!

February 29th-March 4th

During a recent visit to the Giving Tree, our 4th graders noticed that many shelves were empty. We want to help fill those shelves with the items that are most in need. The first graders at Bay Harbor just did a food drive and brought in over 400 items! **WAY TO GO 1st Graders!** We would like to continue the

momentum started by the 1st graders and do a whole school food drive.

The items in need are:

- Peanut Butter
- Canned Meat (Tuna or chicken)
- Boxed Potatoes, Rice, and Stuffing
- Canned Pasta

Our goal is to reach 1,000 food items from **Monday, February 29th to Friday, March 4th.**

If we reach our goal, the entire school will have a surprise incentive.

Let's help make a difference!
