

## Reading Olympics 2012-2013

On March 19<sup>th</sup>, third and fourth grade students, who had participated in Reading Olympics, attended a special celebration breakfast.

These students committed to reading and discussing eight chapter books. Book discussions were held weekly culminating in two book challenges. Participants were divided into groups and had to work to answer questions about the books they had read. They worked hard together to determine the correct answers and showed an incredible amount of enthusiasm throughout the entire program. Way to go!

Congratulations to this year's participants!
