

Immigrating to U.S.A. Ellis Island

Bay Harbor Elementary

Presents an Ellis Island Quest

All third grade classes will be immigrating to the U.S. on Wednesday, March 20, 2013. Each class will have four different countries represented: Sweden, Germany, Italy and Poland. Students may come dressed for the trip, if they choose. They may also pack a small bag with their only belongings for the trip. Adult volunteers will be helping with this adventure by acting as doctors, and investigators, quizzing the immigrants on their health, employability and mental alertness. Our own , Mr. Kyle Siech, will be the final "judge." He will decide which families are going to be the new U.S.A. immigrants. Wish us luck on this quest!!
