

Area business leaders are teaching in your classrooms!!

Your students in **1st, 2nd, and 3rd grades** will be or have been participating in a Junior Achievement program called ***Our Families, Our Community, and Our City***. **Our Families** is a program that emphasizes the roles people play in the local economy as well as how they work together to make the place they live a good place. **Our Community** explores the interdependent roles of workers in a community and how communities work. **Our City** studies careers, the skills people need to work in those careers, and how businesses contribute to a city.

JA is an effective avenue through which the business community can demonstrate its commitment to our students—our future entrepreneurs, employees, consumers and voters. JA's purpose is to inspire and prepare young people to succeed in a global economy.

We are proud to announce the following volunteers & businesses supporting JA at **Bay Harbor**:

Roberta Hengel, UnitedHealthcare
Andrea Leszko, Ameriprise Auto and Home Insurance
Peter Beth, Schneider National
Tina Wojciehowski, Rasmussen College
Joyce Monfort, Rasmussen College
Mike VanEperen, Schneider National
Jennifer Poole, UnitedHealthcare
Kristine Madden, NextEra Energy Point Beach, LLC

Please consider volunteering in your child's school or another area school. It's a very rewarding experience! For additional information on how you can become a volunteer, please call the JA Office at 920-336-1444. Thank You!
