

AWARD-WINNING CHILDREN’S AUTHOR KATIE MCKY VISITING!

On October 6th, Katie McKy revisits Bay Harbor to perform and teach. Katie is the author of the picture book, *PUMPKIN TOWN*, which is the story of some wayward seeds and some boys who don’t quite tell the truth, with runaway consequences. It has sold more than 900,000 copies around the world and is a great way to talk to your kids about honesty. She is also the author of *WOLF CAMP*, which is her book about unconditional love, a love that’s tested when a girl comes home from a summer camp run by wolves. Katie also wrote *IT ALL BEGAN WITH A BEAN*, which is a silly story about the Big Bang of Flatulence and was given an excellent rating by School Library Journal. If you’d like a signed and personalized copy of *Pumpkin Town*, *Wolf Camp*, or *It All Began With a Bean*, just fill out the order form below and send it with your child with a check or cash. Katie will mail the books upon her return to Maine.
