

Box Out Cancer T-shirt Order Form

Childhood cancer has affected many families in the Howard-Suamico school district. On January 15th, Bay Port DECA is hosting an event at the boys basketball game to raise money for a local organization called Families of Children with Cancer. This organization is strictly local and has helped many families in our area. The event will include a children’s carnival in the Bay Port Commons at 5:30, a silent auction, followed by the basketball game in the gym. Green Bay Packer player appearances and autographs are possible and have occurred at past events. This order form is for the event t-shirts and all proceeds benefit Families of Children with Cancer. We encourage all students and families in our district to attend this exciting event! Go Pirates!

<u>Size</u>	<u>Quantity</u>	<u>Total</u>
