The Report Card "A" Program is Back

at familyVideo

Each Report Card A = Free Rental!

Final grades of "A" (or equivalent mark) earned by students in core courses from kindergarten through college will be rewarded with a **FREE Movie or Game Rental.**

Here's how it works:

- Students, bring your final report card (paper or electronic) to your favorite Family Video store.
- You'll receive a voucher worth up to five free movie or game rentals. Each final grade of "A" (or equivalent) is worth one free rental.
- You can redeem the voucher for any New Release movie with a 'split' sticker on it and ALL video games!
- The Free Rental is good from June 15th - July 15th.

"Report Card 'A'" is a 30-year tradition at Family Video, and is not affiliated with a particular school or school district. We're proud to reward the academic excellence of students in all our communities.
