

Reading Olympics 2013-14

Congratulations to Bay Harbor's 2013-2014 Reading Olympic students!

These 3rd and 4th grade students committed to reading and discussing eight chapter books. Book discussions were held weekly culminating in two book challenges. Participants were divided into groups and had to work to answer questions about the books they had read. They worked together to determine the correct answers and showed an incredible amount of enthusiasm throughout the entire program. We celebrated their hard work with a special breakfast at the last book challenge. Way to go!

Congratulations to this year's participants!
