Students, Educators & Parents Speak Up!

Open October 3rd – December 14th, 2012

Join the conversation about the use of technology for learning through **Speak Up**, a National Research Project. The online survey will be open to students, educators and parents beginning October 3; it's quick and easy to get involved. To learn more about the importance of participating in this online survey, go to the Project Tomorrow website at:

Meet a new staff member at Bay Harbor:

Hi. I am Alison Hamacher, the new Literacy Specialist at Bay Harbor Elementary School. I received my Bachelor's degree from Northern Michigan University and my Master's degree from Viterbo University. I am entering my 12th year in education. I live in DePere with my husband, Wade and our daughters, Rowyn and Bryn. I enjoy spending time with them, gardening, walking and reading. At Bay Harbor, I will be providing reading interventions, working with teachers in the area of literacy and providing staff development. I am very excited to have the opportunity to work with the families and staff of Bay Harbor. I can be reached at 662-8844.
